Messrs. S.K. Narasimhiah, Yelo Siddalingappa Setty and some other residents of Bangalore City presented a petition in June 1920 stating that for want of accommodation within easy reach of the Victoria and Minto Ophthalmic Hospitals, the patients who come for treatment to these institutions from all parts of India as well as their relations and friends, who accompany them, suffer serious inconvenience, that therefore the construction of a Chattra at an easy distance from these hospitals had become an absolute necessity and that they had resolved to raise public subscriptions and undertake the construction of such a Chattram. They requested in furtherance of their object the free grant of a suitable site in close proximity to the said institutions and also a building grant equal to the public contributions collected for the construction of the Chattram. It was also represented that a sum of Rs 6,000 out of Rs.7,000 subscribed had already been collected and every endeavour was being made for collecting further subscriptions.

2. The President of the Bangalore City Municipal Council to whom the petition was forwarded for consideration wrote to say that the Municipal Council had unanimously agreed to the free grant of a plot of land measuring 2,256 Sq. yards to the west of the Fort Centre Road and adjacent to Dewan Bahadur Raghunatha Rao's Chattram for the above purpose subject to certain conditions to be laid down by the Municipal Council.

10

3 With a view to enable Government to have an idea as to what exactly were the conditions on which the Municipal Council were prepared to grant the site in question for the construction of the Chattram, information was called for from the President on the subject along with a copy of the plan of the building This information was received with the President's letter of 10th August 1921 with a copy of the plan called for, which is placed in the file

4 In view of the laudable object of the petitioners, I am of opinion that the site in question may be given free to them on the conditions prescribed by the Municipal Council, but no building grant can be given from Government

for approval

Dewan of Mysore,
BANGALORE

Sir,

We the undersigned respectfully beg to state that it is a well-known fact that the Victoria and the Minto Opthalmic Hospitals established in Bangalore by the bounty and generosity of His Highness the Maharaja of Mysore have become very popular and are attracting suffering humanity not only from all parts of the Mysore State but also from distant places outside such as the Dharwar, Bijapur, Belgaum and Bellary Districts and South India

For want of accommodation within easy reach of the two Hospitals, the patients who come for treatment as well as their relations or friends who accompany them, suffer serious inconvenience Therefore the construction of a Chattram at an easy distance of these hospitals has become an absolute necessity

Under these circumstances it is proposed to build a suitable Chattram consisting of sufficient number of wards for Hindus For this purpose contributions have been promised by the following gentlemen for the present, for one ward each at a cost of Rs.1000/- :- (1) Mr. S.N Bullappa, Contractor, (2) Mr D N Sirur, of the Mysore Mills; (3) Mr. Devarao Shivram, Merchant, Bangalore, (4) Messrs Brahmappa Tavanappa and Yele Siddalingappa, and (5) a sympathiser who desires that his name may not be published We are trying to get further help from the public and we respectfully solicit the favour of His Highness the Maharaja's Government being pleased to make a contribution equal to the public contribution towards the cost of the proposed building

We further solicit that a suitable site in close proximity to the above named medical institutions may kindly be granted free of cost.

We also pray that after the building is completed, the authorities of the Victoria Hospital may be kindly instructed to take charge of it and keep it under their care, control and supervision

In conclusion we request that any orders that may be passed on this application may kindly be sent to Mr Yele Siddalingappa, Merchant, New Taragupet, Bangalore City

We beg to remain,

Sir,

Sir,

In continuation of our application dated 6th August 1919, a copy of which is herein enclosed for ready reference, we beg to inform you that contributions to the extent of Rs 7,000/- have been secured and out of this a sum of Rs 6,000/- has been actually collected and deposited in the Bank of Mysore Ltd Bangalore, towards the fund for the construction of the proposed chattram Every endeavour is being made to collect more funds from the public

The time has, in our humble opinion, now come for the scheme being given a tangible shape by the benign Government of His Highness the Maharaja by graciously sanctioning a grant-in-aid at least equal to the amount of public contributions and also a free site at a conveniently short distance from the two main hospitals as already prayed for.

This act of Government will not only enable us to start up the construction work at once but also infuse fresh confidence in the
